

Where can we get uniforms?

All uniform shirts must have a school logo. Paradise Screen Print located at 220 Pearson Rd in Paradise carries all our uniform shirts. They will also screen print our school logos on shirts purchased from other stores. Land's End has our logos on file for embroidery on shirts. Our preferred school number for Land's End is 9001-1661-7. Uniform shirts for elementary school must be white, light blue, or navy blue. Shirts for the middle school must be burgundy, red, black, white, or gray.

Girls may wear non-logoed princess collared cotton blouses or turtle necks under jumpers. Uniform bottoms and jumpers must be from a retail uniform line (Wal-Mart, Target, J.C. Penny's, Old Navy, etc.) and be unmarked, solid navy blue for elementary and black for middle school. Bottoms may be any style or material except for denim. Girls have the same options as boys plus jumpers, gauchos, skirts, capris, and skorts. You are welcome to find a style that flatters your child. Children can wear any style or color of shoe you prefer as long as they have a closed toe and closed heel. Every Friday is a free dress day.

Used uniforms are available in the school's uniform closet located in the school kitchen. Please check for available sizes.
