

It's Time to Celebrate

The holiday season is upon us as the first school trimester comes to a close at Achieve. Students, parents, and teachers will meet to update Personalized Learning Plans that were developed for each student before the school year. This is an important time of reviewing and updating goals and celebrating successes.

The holiday season also brings a chance to celebrate our family and school holiday traditions. We focus on the virtues of “generosity,” “thankfulness,” and “joyfulness” as the students participate in canned food and toy drives, Thanksgiving, Christmas, and winter holiday celebrations.

All of us at Achieve are so thankful for our school community. We are grateful for the opportunity to learn, work, teach, and share life with our students, parents, and staff.

With warm holiday wishes,

Mrs. Taylor
