Your early application helps us make our plans—thank you for teaming up with us to make ACHS a reality for our students and community in Fall 2018!

Early form submission doesn't guarantee ACHS enrollment if the number of applicants during the full open enrollment exceeds 120 students.

If more than 120 students apply, the **ACHS LOTTERY WILL BE ON THURSDAY, FEB. 1** at 4 pm at the ACHS school site (watch for location details). We will notify all applicants after the drawing.

Achieve Charter High will open to 9th graders in Fall 2018!

- Free public charter high school (through Butte County Office of Education).
- Gives all students a unique, rich academic experience that produces graduates who are career and college ready.
- Provides specialized learning pathways for entrepreneurial and technical careers.
- High school activities include junior-senior prom, dances, clubs, rallies and sports. **Join us as ACHS creates meaningful and fun traditions!**
- Builds on the accomplishments of the successful (K-8) Achieve Charter school—which typically has a waiting list for all grades. Get in at the start at Achieve Charter High!

Here's what you might be asking...

If we fill out this form, does it mean our student must attend ACHS in Fall 2018?

No, submission of the form simply means your student will be included in the list of students eligible to attend as ninth graders in Fall 2018 (or will be placed in the lottery if more than 120 students apply).

What if we change our mind?

Just tell us—and then enroll your student at your school of choice.

What if there's a lottery and we are not chosen?

You will be placed on our waiting list and we'll contact you as soon as we have an opening.

Other questions? Call us at 872-4100. Your student has many local options for their high school experience and we encourage you to check them all out to see which is the best fit. Find out more at ACHSParadise.org.
